

**California Arts Council  
Statewide Networks Program (SN)  
Progress Reports - 2009-10**

**Due October 29, 2010 & February 25, 2011**

**Email Report to Lucero Arellano, Arts Specialist for SN, at [larellano@cac.ca.gov](mailto:larellano@cac.ca.gov).**

The SN Program is a partnership between the CAC and statewide arts networks to promote the public value of the arts by **strengthening and expanding** an organization's delivery of services to its constituents through communications, professional development opportunities, networking & arts advocacy.

**Please include the questions below as part of your response.**

- a. Summarize and list your current SN achievements as they relate to the intent of your grant. Include specifics--as applicable--such as new approaches, increases in # of constituents served, additional programs, geographic expansions, etc.
  - Organizational Capacity:
    - Managerial & Fiscal Competence;
    - Community Representation & Impact;
    - Programs & Services;
    - Outcomes.
  - Community Building through Advocacy:
    - Expand communications and participation of your membership and field through services;
    - Represent the specific interests of your field to further advance your constituent base;
    - Partner with the CAC in advancing a statewide arts agenda.
    - Outcomes.
- b. Describe factors or circumstances (positive or negative) within your organization's environment affecting your overall goals.
- c. How are you promoting the public value of the arts? Share your success story (ies). (Optional at this time)
